Before & After School Program Fees

Niagara Falls Boys & Girls Club • Niagara Falls School Maple Ave Elementary

The Niagara Falls Boys & Girls Club Blue Door Academy at Maple Ave Elementary is partially funded through program fees. We use program fees to cover robust, fun, enriching curriculum provided by paid professional staff based on a Positive Youth Development Model, serving children in Pre-K through Grade 6. There are several enrollment options for parents/guardians. No child will ever be turned away based on inability to pay.

We offer access to the NYS Child Care Subsidy, financial assistance, and a significant advance-pay discount — pay the month in advance and save 50%!
